Date:-28/06/2021

**OFFICE ORDER**

The Centre for Incubation & Entrepreneurship Development (CIED) is formed to promote a culture of innovation & entrepreneurship in India.

Objectives of CIED:

- 1) Is to promote & establish world class incubation centers in specific sectors such as manufacturing, transport, energy, health, education, agriculture, water & sanitation.
- 2) These incubation center would support & encourage innovative technology based startups that have an application and/or impact in the core sectors of economy.
- 3) The incubation centers would provide the startups with necessary guidance, tech support, infrastructure, access to investors, networking & facilitating a host of other resources that may be required for the start-ups to survive and scale.

The following committee members will work for CIED.
