Subject: Curriculum feedback from teacher, students and alumni.

Respected Sir/Madam,

In session 2020-21, Our Department Computer Science & Engineering (CSE) has taken feedback from students, teachers, and alumni on the syllabus of RTMNU.

From the feedback analysis report, we have observed some of the following key points:

1. Syllabus must include career oriented professional subjects like Python, JSP, C#, etc. as a practical or theory in 3rd and Final year.
2. To engage in a process of continuous learning, subjects like IoT, Machine Learning, Big Data must be compulsory subject instead of elective.
3. RTMNU in collaboration with IT industries may add some practical oriented practices in curriculum.
4. In Curriculum, must add some hours for faculties to learn new technologies.

Kindly take a note of these above mentioned key points and take necessary steps to bridge the gap between syllabus/curriculum and students betterment.

Thanking You!

Subject - Regarding feedback about Curriculums of Electrical Engineering Course of RTM Nagpur University, Nagpur

Respected Sir,

This is to inform you that, recently we had carried out Curriculum Feedback from our Stake Holders which include Current Students, Alumni and Faculty Members. They have mentioned some valuable feedback about Electrical Engineering syllabus, on which some discussion should be done -

1. Internship should be made mandatory
2. IoT, Artificial Intelligence, Machine Learning subject should be included
3. Industry oriented new subjects should be included
4. Job Oriented Training/ Courses should be included
5. Focus on students Industrial Training/ Visits should be done
6. NPTEL video lectures should be made part of the course
7. Certification courses should be also implemented in the course

Sir, above feedback is for your kind attention.

Kindly do the needful.
