INVITATION LETTER

To,

Prof. Ashish Taywade

Director, Career Mentor (Life Member of Indian Society for Technical Education, New Delhi).

Subject: Guest Lecture on "Personality Development, Career Awareness & planning".

Respected Sir,

We are pleased to invite you to deliver an Online Guest lecture on "Personality Development, Career Awareness & planning" for our students of Govindrao Wanjari College of Engineering in Civil Engineering Department on 15-12-2020 at 11.00 am.

It would be a great pleasure to obtain your kind acceptance for sharing your knowledge with our students. We are sure that under your expert guidance students will get a proper direction and they will successfully materialize the objective of the event.

Thanking you.

Guest Lecture on

Personality Development, Career Awareness & planning

Introduction:

Department of Civil Engineering Department, GWCTE, Nagpur has organized a Guest Lecture on Topic "Personality Development, Career Awareness and planning" on dated 15/12/2020 delivered by Prof. Ashish Taywade, Director, Career Mentor (Life Member of Indian Society for Technical Education, New Delhi). These lectures will be impetus students to enhance their employability. It also makes aware students about career assessment and various skills required. Furthermore, it also helps to find numerous career opportunities in the field of engineering and technology. This lecture was taken under the activity of forum (2020-21). We have conducted this lecture online, and students join the lecture on mobile app.

Topic: Personality Development, Career Awareness & planning

Delivered By: Prof. Ashish Taywade

These lectures will be impetus students to enhance their employability. It also makes aware students about career assessment and various skills required. Furthermore, it also helps to find numerous career opportunities in the field of engineering & technology.

Aim: To improve skill, enhance the employability.

Objective:

- 1) To make students aware about career assessment, self-analysis and skills required.
- 2) To encourage students to update themselves for career decision.
- 3) To provide exposure of numerous career opportunities in technical field.

Lecture Details:

Prof. Ashish Taywade explained in his lecture the importance of career assessment and skill required in life, and he explained the Employability skill, are the key to workplace success.

Employability skill allows to

- 1) Communicate with co-workers.
- 2) Solve the problems.
- 3) To understand your role within the team.

During his lecture he explained that how to face interview and he gives an idea about interview technic. He also explained about career assessment, it is test and assessment taken to measure preference in jobs and career types based on the individual's assessment of his or her own personality, character traits and skills. He also explained that what the different tools for success. He gives several tips to face an interview for the first time, while giving interview candidates should research well about the company and know their aim, mission, vision, values and functions. He also explained that how to decide on a career path. He gives suggestions to students to make a list of all your skills and strengths. And explore your interests and passions. Also, he explained about What career is Right for Us, in that he explains it is one of the most important decisions if you make a poor decision, you it can damage your career because right career decision brings success and happiness. Prof. Ashish Taywade cleared the concepts of the student during question answer session.

Overview of Lecture:

- Career Assessment: Employment trends for the future, Keys to Find a Satisfying Career, Steps in Career Decision, Steps in Effective decision making, Researching Your Career,
- World Skill Required: Basic skill, Critical Thinking skills, and Personal quality,
- Tools for Your Success

Mapping of Lecture with Curriculum:

This guest lecturer will help students to learn about their career assessment, relevant skill required and career opportunities under the subject Industrial Management of Eight semester and also under Training and Placement activities.

Outcome of Lecturer:

Students will be boost up, motivate and more confident to face interview and will surely help to enhance their employability.

Outcome of this lecture will be analysed by the Ten marks Question Paper based on Curriculum and content in seminar.

NOTICE

Faculty Development Program - Resilience in Crisis

Dear Sir/ Ma'am,

Considering the current COVID situation, Heartfulness Institute in collaboration with Govindrao Wanjari College of Engineering and Technology, Nagpur is offering a 6 days (1 hour per day) workshop for faculty that allows one to identify their concerns, acknowledge the area of their influence and explore the field over which one may have some control.

Objective of this workshop is to help college faculty take charge of their lives to emerge stronger from the current crisis. The techniques of Heartfulness are simple and practical. We will be covering not only practices of Meditation, Rejuvenation and Inner Connect but also techniques of Anger detox and Fear detox.

To be explored during the 6 days-

4th Aug: Resilience in crisis
5th Aug: Self-Leadership
6th Aug: Gratitude
7th Aug: Compassion
8th Aug: Heartful relationships
9th Aug: Aspiration

Details of the program are as follows:

Duration: 6 days, one hour daily

Dates: 4th to 9th August 2020 (Tuesday to Sunday)

Time: 4.00 pm to 5.00 pm

Who will conduct: Team of experienced Heartfulness Education Master Trainers

Medium of delivery:
English/Hindi

Annual Report

1) Webinar on “ Yoga & Meditation for Immunity Enhancement & stay fit”

On the occasion of International Yoga Day, a webinar was conducted by Yoga & Meditation Cell of our Institute for faculty members as well as students on 21st June 2021. The webinar was delivered by Dr. M. Narayana. He is a Prof. from Vardhaman College of Engineering, Hyderabad and is Trained Teacher, Art of Living Foundation who has rendered exemplary pioneering service in the field of Youth Leadership, Stress Management, happiness at the workplace through meditation techniques and practical ancient wisdom. Mr. Narayanawill train the participants about the various 'Yoga Asanas' and their importance.

About 102 Faculties & students were present for this Webinar. The mode of conduction was online.

2) Webinar on “ Life Mantra for Stress Management during Covid-19 Pandemic”

With COVID-19 social distancing and 'stay at home' directives, one can easily feel isolated, anxious, and in desperate need of a relaxing activity and some social contact.

In view of this to keep the Faculties and students healthy in body and mind, the Yoga & Meditation Cell of our Institute has organized webinar on “Life Mantra for Stress Management during Covid-19 Pandemic” on 29th May 2021.

The Motivational Speaker Mr. NavnathGaikwadand have taken classes with high level of dedication. They have also explained remedies based on Hypnotism for personal health problems to the participants with lot of patience. About 75 participants were present for this Webinar.

3) Webinar on “ Yoga – A Way of Life”

To make the faculty and students physically and mentally healthier, saner to become more integrated members of the society and of the nation. In view of this Yoga & Meditation Cell of GWCET has conducted a Webinar “Yoga – A Way of Life”for faculties & students on4th Aug 2020.

The yoga instructor, Ms.Monali Dhakate took yoga session with great dedication. The teachers & students participated with full interest, enthusiasm and eagerness.Total 97 participants were present for the webinar.

4) FDP on "Resilience in Crises".

Considering the Covid-19 situation, Heartfulness Institute in collaboration with GWCET has organized a FDP from 4th Aug 2020 to 9th Aug 2020 for the teachers that allows one to identify the area of their influence & explore the field over which one may have some control.

The techniques of Heartfulness Institute were simple and practical. They were covered not only practices of Meditation, Rejuvenation and inner Connect but also techniques of anger detox and fear detox.

In all nearly 150 participants registered for the workshop. The Principal, Dr. Salim Chavan, motivated the staff and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. The workshop concluded with an interactive session between the instructor and the teachers in which the queries of the teachers were addressed satisfactorily. The Workshop was very refreshing, reviving and relaxing.
