Subject: Feedback for the LifeSkills Programme

Dear Sir,

It is with great pleasure that that the LifeSkills training conducted by your organisation for the students for our college has been a remarkable success.

Upon the completion of the training, a lot of students personally came to me and informed me of the learnings they were able to take away from the workshop.

Our college offers 2 streams of graduation to students- Engineering and Commerce. We have a strength of 400 students in their final graduation. About 80% of our students come from economically weak backgrounds where their parents are daily wage workers, drivers, tailors, etc. Almost 60% of our students expressed their wish to get a corporate job and therefore, attended the LifeSkills training. I feel immense pride to inform you that with the help of this workshop and mock interviews conducted by trainers, 90% of these students were selected to work at reputed MNCs.

Understanding the importance of these trainings in students' career journeys, we hope that you continue this fruitful partnership with our college and help more students achieve their dreams.

Yours Sincerely,

Dr. Asim Parthey
